## JUG HANDLE LAWS

---

You're home when you're here. A few house rules, with love.

The restaurant is run for the enjoyment of our guests — if something's not right, let us fix it.

---

Beef is tasty because it has some fat. Want lean? Order the turkey.

---

Our portions — especially salads, sandwiches and fries — are excessive, because nothing succeeds like excess.

---

We're serious about food, but not much else. Relax and have a good time!

---

Please don't drink and drive. It's the other thing we take seriously at The Jug.

---

Thank you — Kevin & Nichole
